

Celebration, Education, Dedication

Why Join Sisterhood? Sisterhood is a heart-centered tapestry of women working together as one big family. We offer exciting and interesting educational programs, social events and just plain fun.

Each member of the NVHC Sisterhood is unique, bringing talent and expertise to further our mission of promoting camaraderie, esprit de corps, spirituality and participation in “tikkun olam” – repairing the world.

Your dues and additional donations help to support Sisterhood programs, NVHC, the Preschool, and Religious School.
